

## Canadian Glass Association

“Working together for the betterment of the Canadian glass industry”

The Canadian Glass Association is pleased to announce a new partnership – Imagewear by Marks Work Warehouse. This is a long-term partnership whereby the Canadian Glass Association members are offered a 10% discount on applicable work wear, industrial wear, safety footwear, rainwear, and other safety and related accessories. Marks Work Warehouse has provided the Canadian Glass Association with discount cards that can be distributed to your company’s employees.

As a business you are also given the opportunity to contact Marks WorkWear House directly and get preferring pricing on any bulk purchases you require including uniforms and promotional material.

This new program will also support your own national organization – the Canadian Glass Association. The Canadian Glass Association is working on developing a few partnerships that will benefit all the provincial/regional associations.
