

Apprentice Recognition

GCABC is pleased to announce that as of March 1, 2010 we will be presenting an award to all glazing apprentices who have written and passed their red seal inter provincial exams. GCABC's Board of Directors recognizes the hard work and sacrifices required by these journeypersons to complete their training as glaziers. In light of this dedication GCABC wants to recognize this achievement.

This award will include a monetary award, a certificate of recognition and an invitation to the annual awards event.

All journeypersons in BC who have written and passed their red seal exam should complete this form and submit to Zana Gordon at [zgordon@gca-bc.org](mailto:zgordon@gca-bc.org)

Please be advised that although GCABC would like to recognize all red seal journeypersons from the past, it is not financially practical. This award can only be presented for journeypersons who have written and passed their exams **after** March 1, 2010.
